In an effort to make shipping/freight charges as equitable as possible for every customer, we invoice by the least expensive UPS rate based on active weight rather than a flat regular rate. If ordering by mail and paying by check or money order, call for shipping and handling charges. All others refer to the standard UPS charts. All claims for items lost or damaged in shipment must be made within 15 business days of original invoice date.

- Purple Patch LLC products cannot be shipped to post office boxes.
- Freight charges are subject to sales tax.
- Carriers may charge additional fees for delivery to residence.
- Applicable sales taxes collected for all purchases.

For General Information

Normal UPS ground delivery times (best estimated) are 1 to 3 week days for every 1000 miles between "ship to address" and Topton, NC.

Back Orders

Occasionally we will not have an item in stock for immediate shipment. We will ship as much of the order as possible and forward the backed order items when available. If you wish to cancel a back ordered item, please advise promptly. Shipping charges apply to all orders and to all back orders of \$20.00 or more.

Returns

Errors in shipping occasionally occur. If we send the incorrect item, we will be happy to exchange it and refund your cost of return shipping. If we send what you ordered and it turns out to be incorrect, we will also be happy to exchange it. The unused product must be (shipping prepaid) returned in the original undamaged packaging for exchange, credit or refund. A \$20.00 charge will be applied for repackaging if necessary.

Refund or exchange is available with a return goods authorization (RGA) only up to 30 days from date of invoice without restocking charge. A copy of the original invoice with RGA number must be enclosed with the returned item.

No restocking charge will apply if the error was ours and the return is made within 30 days of purchase. On all other returns after 30 days, a 15% restocking fee will apply. No returns accepted 90 days after invoice date.
